WHO IS C.A.S.T. FOR KIDS?

The CAST for Kids Foundation enriches the lives of children with special needs, supports their families, and strengthens communities through the sport of fishing. C.A.S.T. for Kids empowers families and communities to celebrate children with special needs, making these children feel valued and loved so they can overcome limitations and be successful. Since 1991, over 125,000 chronically ill and disabled children have been introduced to the joy of fishing.
